

Product Name :
MC- Intosh Laryngoscope set (with handle)**Product Code :**
NMLYG10S07**Description :**

MC- Intosh Laryngoscope set (with handle) The above set are satin finish all stainless steel. Other custom made combination of sets available upon request

Technical Specification :

Medical Tools Laryngoscopes are simply specialized torches with a handle containing the batteries and a bulb, while the blade has a fiberoptic tube which transfers cold light.

The Medical Tools brand ensures that the item is safe for use in anesthesia/resuscitation for endotracheal intubation.

Macintosh type curved blades are available in dull finish hence reduce reflections, the handles use type C battery that lasts longer.
