

**Product Name :**  
Pathology Lab Electrolyte Analyzer

**Product Code :**  
MED-PTH0033

**Description :**

Pathology Lab Electrolyte Analyzer

**Technical Specification :**

Simple YES/NO prompted operation  
High accurate and long life electrode and TCO2 sensor  
Sleep mode to reduce reagent consumption  
Rapid test speed of 80 tests per hour  
Minimum sample volume is 60ul  
Individual reagent to avoid waste  
Option: Sample tray
